**BRIEF REASONS** (if any):

This is an anti-slapp motion and is clearly a long motion. It should not be on a regular motion list. Previously Justice Christie gave an order granting an interim injunction precluding any further defamatory statements. Plaintiff’s counsel has requested that a case management judge under R. 77.05(2) be appointed. I view this as a reasonable request and Ms. Dyck has agreed to it. I therefore ask that the RSJ appoint a case management judge to give further directions regarding the hearing of the anti-slapp motion brought by the defendant, as well as deal with any other relevant matters.
